

TYPICAL LAYOUT - BAR

NOTES

1. The warrants regarding the use of this type of facility and its required dimensions shall be in accordance with Austroads Guide to Road Design Part 4A: Unsignalised and Signalised Intersections.
2. Centre line is shown indicatively as separation line. Actual line type will vary according to site specific conditions.
3. 'No Stopping' signs are not typically required, however they may be used where there is a demonstrated problem with vehicles stopping or parking within the facility.
